ABOUT US

FORUM Credit Union has proudly served Central Indiana since 1941. Originally formed by employees of Indiana Bell Telephone Company, FORUM has grown by offering innovative services and considering members' needs as a top priority. The Credit Union began with volunteers and that same volunteer spirit exists today. While members' needs and the Credit Union's offerings have changed over the years, the primary mission to help members live their financial dreams remains the same.

HISTORY

HOOSIER FEDERAL CREDIT UNION

1941 – 1960s

- Run by volunteers who focused on savings and loans
- Six employees supervised by first full-time manager
- First Credit Union in the state to use data processing facilities

INDIANA TELCO FEDERAL CREDIT UNION

1960s – 2000s

- Continued growth called for expanded branch
- First drive-up facilities ensure seamless member experience
- CU Online launches and is first financial institution to introduce Windows based version of home banking

FORUM CREDIT UNION

2000s - CURRENT

- Renamed FORUM Credit Union to represent a method of conducting business in the new millennium
- FORUM Credit Union Foundation is created offering educator grants and collegiate scholarships
- Released mobile apps for Android and Apple
- Reached \$1 billion in assets
